UpToDate® The App – FREE for all UHL Staff!

Access UpToDate from the palm of your hand

Available on iPhone®, iPad® or Android™ device

To access the UpToDate mobile app just follow these easy steps – you need to register from a UHL PC but can then use the App from anywhere in the world:

1. On a UHL computer (and using the Google Chrome browser), go to this link: http://uptodate.xuhl-tr.nhs.uk. You must go through this route. Simply going to UpToDate.com on a UHL computer will not work unless it is via this route.
2. On the 'Clinical Information Reference Resources' portal, click on 'Launch UpToDate'.
3. It should say "University Hospitals of Leicester NHS Trust" in the top right corner of the screen. If it does, then click on the 'Register' link underneath it.
4. Fill in this form, to create a personal UpToDate account.
5. You are now registered. Download the UpToDate app to your device and use these details to login to it.

PLEASE NOTE:
YOU WILL NEED ACCESS TO THE INTERNET TO USE THIS APP & REGULAR RENEWAL (EVERY 90 DAYS) OF YOUR UPTODATE ACCOUNT IS REQUIRED TO ENSURE ACCESS IS MAINTAINED.

To renew your account, follow steps 1-2, and then just click on the "Login" link, instead of "Register" and then sign in using your UpToDate username/password.
